This Certificate confirms the above business and site has been audited against:

The SALSA Brokers, Storage & Distribution Audit Standard

Issue 1, June 2021.

and has demonstrated satisfactory compliance for the following scope of production:

'The import, storage & distribution of a wide range of Spanish culinary ingredients (condiments, savoury spreads, pickled products, beers, wines, cheese, chocolate, pasta, shellfish, prawns, cooking sauces, oils, cooked & cured meats, frozen raw meats, dried snacks, cookies, cereals & spices). Up until a year ago, the business cut and re-packed meats and cheeses: the equipment for that operation is still present, in a clean and tidy 'kitchen', which has clearly not been used for some time. For that reason the following exclusion is appended to the scope:- EXCLUSION: the cutting and vacuum packing, on site, of cheeses and cured and fermented meat products.'
