

Food Labelling Workshop

Visit our website to book a place on an interactive on-line group workshop.

This course is also available to deliver in-house. Please contact our team on 01295 477570 or email info@salsa.co.uk.

This course is aimed at:

- Technical Managers/ Quality Managers.

Participants are encouraged to present their own labels and product information for interactive discussion and feedback.

At the end of this 1 day course, you will be able to:

- Create, check and authorize food labels with confidence.
- Understand the UK legislative labelling requirements including product names, ingredients listing, quantity, nutritional data, storage and durability coding.
